

NTCA Announces All-Academic Team

The National Ten Pin Coaches Association has announced its annual All-Academic team for the 2010-11 school year.

All NCAA bowlers that compile a minimum cumulative grade point average of 3.40 during 2010-11 are eligible with the first, second and third team designations allotted to those student-athletes that also drew the most voting support for the NTCA's All-America teams. This year we had 123 players from 29 institutions receive the honor.
