

NATIONAL STATISTICAL LEADER AWARDS PROGRAM 2018-19 SEASON

April 10, 2019

BROOKLYN, NY. --- In an effort to honor outstanding individual and team season-long accomplishments, the National Statistical Leader Awards Program recognizes the season-long statistical leaders in seven (7) team categories and six (6) individual categories. The National Tenpin Coaches Association launched this program at the end of the 2017-18 season. New this year is the split of divisions for each award. All team and individual statistical information can be found by visiting the National Tenpin Coaches Association website, www.ncaawomensbowling.com.
